

# 92 Years as the Civic Voice of Arlington

“Established in 1916, the Arlington County Civic Federation is the oldest county-wide organization in Arlington County. Practically all major improvements we enjoy today are the result of actions initiated or supported by the Federation . . . As the “Civic Voice of Arlington,” we organize, discuss, and present local issues to county officials and assist member organizations. Federation spokesmen have appeared before the county Board, the state legislature, and the U.S. Congress. The Federation has sponsored political debates and county-wide seminars on issues of public concern.”
